An outline about inclusive education was given to the teachers of the school. Inclusive education was focused on modified classrooms for the special children and a sample training program was conducted for the teachers in how to handle the special children in a school set up.	Field visit	55
2019	BOT	Research Project	Effect of assertiveness training program to decrease loneliness among college resident students	Research Project	10
2019	BOT	Research Project	Effect of animated video and Gage cartoon based activities in enhancing attention skills among children with ADHD	Research Project	10
2019	BOT	Research Project	Effect of mindfulness therapy cope up with stress and depression among women with menopausal symptoms	Research Project	10
2019	BOT	Research Project	Effect of cognitive behaviour therapy to improve self esteem among person with post stroke depression	Research Project	10
2019	BOT	Research Project	Effectiveness of cognitive behavioural therapy on stress, anxiety and depression in cancer patients	Research Project	10
2019	BOT	Research Project	Effect of figure of 8 balance beam to enhance the balance for children with intellectual disability	Research Project	10
2019	BOT	Research Project	Effect of recreational activities to relieve stress for non teaching staffs in group therapy	Research Project	10
2019	BOT	Research Project	Effect of sponge ball activity to improve hand grip strength for geriatric population	Research Project	10
2020	BOT	FIELD VISIT TO Meenakshi Nagar in Kanchipuram	Students of Saveetha College of Occupational therapy visited Meenakshi Nagar in Kanchipuram to provide occupational therapy activities to improve quality of life and functional independence for members of the community. Screening camp was organised for the general public in Kanchipuram	Field visit	45
2020	BOT	Research Project	Effect of ergonomic intervention in mechanical neck pain for office workers		10
2020	BOT	Research Project	Effect of leap motion sensor based game programs to improve visual motor integration in learning disability	Research Project	10
2020	BOT	Research Project	Effect of fine motor activity on hand writing legibility and speed	Research Project	10
2020	BOT	Research Project	Effect of guided imagery on self esteem and examination anxiety among 1st year college students	Research Project	10
2020	BOT	Research Project	Effect of maze activities in enhancing attention and academic performance among children with ADHD	Research Project	10
2020	BOT	Research Project	Effect of restraining approach to improve visual motor integration among children with autism	Research Project	10
2021	BOT	FIELD VISIT TO Rajaji Old age center	Students of Saveetha College of Occupational therapy visited Old age center in Thiruvallur to provide group based recreational activities to improve quality of life in elderly living in the community	Field visit	20
2021	BOT	FIELD VISIT TO Desk Top Publishing professionals	Saveetha Occupational therapy students had conducted an awareness program along with home-based therapy for people who are working as secretaries, DTP professionals and others having computer-based jobs to prevent neck pain	Field visit	25
2021	BOT	FIELD VISIT TO AADHURA SPECIAL SCHOOL	Students of Saveetha College of Occupational Therapy had provided counseling and home program for children with disability such as physical disability and intellectual disability.	Field visit	50
2021	BOT	RESEARCH PROJECT - ASSERTIVNESS TRAINING	Students of Saveetha College of Occupational Therapy had provided assertiveness training for young adults suffering from depression in the community set up	Field visit	50

2021	BOT	RESAERCH PROJECT - BODY SHAMING AWARENESS - THIRUVALLUR	Students of Saveetha College of Occupational Therapy had provided group based awareness training for adults on body shaming and its impact on community participation and quality of life	Field visit	20
2021	BOT	RESAERCH PROJECT - ASSERTIVENESS TRAINING FOR ANXIETY	Students of Saveetha College of Occupational Therapy had provided assertiveness training for young adults suffering from anxiety in the community set up	Field visit	20
2019	B.Arch	Winter / Summer School 1 - Arcasia	Eminent International Architect Peter Rich from south Africa conducted outdoor sketching workshop along with clay modeling and bamboo workshop. various architecture students from Sri Lanka, Malasiya & Inida in collaboration with Arcasia and IIA Tamil Nadu Chapter for 10 days.	Field Visit	70
2020	B.Arch	Conversation and interaction with Ar. Sandro Rolla	Gothe Institute along with SCAD organised an interaction with eminent international architect Sandro Rolla from Italy, where he presented the works on the importance of upcycling and recycling in architecture through his various projects	Field Visit	60
2020	B.Arch	Urban Heritage at George Town with At. Dean D'Cruz	Urban Heritage walk at George town along with various architecture students from other city colleges to explore the importance of urban conservation in core city areas	Field Visit	70
2020	B.Arch	Winter / Summer School 2 - Temple Study	Temple construction and use of modern materials was expored by the SCAD students at the University Bala Murugan temple, guided by Ar. Mohan Hariharan and Prof. Ar. Durganand Balsavar supported by Artes Foundation  Mural Workshop was organised to expore the combianion of patterns and compostions by Artist. Mr. Dhanaseelan guided by Ar. Mohan hariharan	Field Visit	55
2021	B.Arch	Winter / Summer School 3 - Live Design - Residence at Ponmar	Live Residence design at ponmar for client Krishnakumar was introduced to students by the expert Architect Mohan hariharan and Prof. Dr. N. jothilakshmy. Students were exposed to the client interactions and requirements in practice for designing their concepts.	Research Project	30
2021	B.Arch	Innovation - womens Health Care centre and Cafe	Reusing plastic bottles is a more efficient solution than recycling. This reuse of resources is applied to building projects and structures and has evidently gained popularity as an efficient and durable building technique	Research Project	30
2021	B.Arch	Innovation - Bus Stop / Class Room	Plastic pollution has emerged as a major problem in rural areas and the issue of managing plastic waste has become a challenge over time. Plastic bottle is considered as urban junk .but with sustainability characteristic it can be used as construction material instead of some conventional material.	Research Project	30
2021	B.Arch	Ideation - Seating Furniture	The combination of students and local labourers working together is extremely cost efficient as we eliminate the factor of high paid workers, for a more homegrown approach to building. Students are able to discover innovative ways of using locally available materials to make functioning structures	Research Project	30
2021	B.Arch	Ideation - Light Lamps	The recycling and refurbishment of the old products will provide work and training opportunities in an area of high unemployment. It increases awareness and beneficial changes in behavior, potential savings to households; increased self-esteem, trade, economy, etc. Therefore, it is necessary to know the benefits of reuse and recycling pattern of old furniture	Research Project	30

2021	B.Arch	Rural - An Environmental - Village Knowledge Centre - Mappedu	The Village Knowledge Centre is the hub of the village. It is both a research centre and also can act as a social hub for awareness programs. The Village knowledge centre has a community hall with the possibility of a stage and 2 attached rooms with bathrooms, informal spaces for gathering, a computer centre, a research centre, a staff and admin, a Head room, and few rooms for researchers to stay. An open space allows for village community gatherings under tree shade.	Research Project	30
2021	B.Arch	Rural An Incubation Hub - Women self-help groups - Mappedu	This Incubation Hub invites women entrepreneurs and trains them in a range of products as well as supports and trains women to start enterprises. A Highway boutique shop (72 sqm) and a restaurant is also provided with adequate parking as well. The restaurant is for about 40 people at a time and an attached kitchen and store. (72 sqm).	Research Project	30
2021	B.Arch	Rural - A Building Resource and Technology Centre - Mappedu	The Mappedu Centre for Habitat Studies (MCHS) is created with the support of university patrons, students, faculty and admirers to propagate a sustainable philosophy of the through training, research, documentation and dissemination. It emphasizes sustainable design and use of appropriate materials for buildings, eco-friendly sources of energy and creation of awareness.	Research Project	30
2021	B.Arch	Rural - A primary school and vocational guidance centre - Mappedu	The Primary school and vocational guidance centre at Mappedu are being established to create centres of learning in rural areas that are rapidly transforming due to urban or Industrial growth. It consists of multi-functional classrooms (between 36 and 64 sqm), that can be used for adult education in the evening.	Research Project	30
2018	B.Sc AHS	Research project	CT protocol for acute appendicitis	Research project	90
2019	B.Sc	Research project	Ultrasound imaging in fibroadenoma breast	Research project	9
2019	B.Sc	Research project	Evaluation of ADC value in normal pancreatic parenchyma and pancreatitis	Research project	9
2019	B.Sc	Research project	Role of MRI in temporal lobe epilepsy	Research project	9
2019	B.Sc	Research project	Liver fat quantification	Research project	9
2019	B.Sc	Research project	evaluation of MR cisternography in diagnosis of CSF rhinorrhea	Research project	9
2019	B.Sc	Research project	Demographic profile of Brinchiectasis patient In a tertiary care hospital	Research project	10
2019	B.Sc	Research project	Knowledge attitude practice of diabetic footulceramong Diabetic patient	Research project	9
2019	B.Sc	Research project	Awareness of EMS in public population	Research project	7
2019	B.Sc	Research project	Study of cell morphology of body fluids using different fixatives	Research project	10
2019	B.Sc	Research project	Comparison of keratometric and topographic cyclinder abd axis measurement	Research project	10
2019	B.Sc	Research project	Visual evoked potential in migraine	Research project	10
2019	B.Sc	Research project	Vestibular evoked myogenic potential in vertigo	Research project	9
2019	B.Sc	Research project	study on development of an educational video to create awareness about medication	Research project	10
2020	B.Sc AHS	Research project	INTUBATION PATIENTS RATE OF SURVIVAL	Research project	8
2020	B.Sc AHS	Research project	COMPARATIVE STUDY OF BREAST CASES WITH THERMOPLASTIC MOULD AND WITHOUT THERMOPLASTIC MOULD	Research project	9
2020	B.Sc AHS	Research project	STUDY OF IMMOBILIZATION DEVICES IN RADIOTHERAPY	Research project	9
2020	B.Sc AHS	Research project	ETIOPATHOLOGICAL PROFILE OF CHRONIC DIARRHEA AT OUR CENTRE	Research project	9
2020	B.Sc AHS	Research project	ETIOPATHOLOGICAL PROFILE OF CHRONIC GASTRO ENETRITIS AT OUR CENTRE	Research project	9
2020	B.Sc AHS	Research project	TO EVALUATE THE EFFICACY OF CUFF PRESSURE MONITORING IN DECREASING THE INCIDENCE OF POSTOPERATIVE SORE THORAT	Research project	6
2020	B.Sc AHS	Research project	COMPARISON OF USAGE OF TWO DIFFERENT LMA'S- LMA I GEL AND LMA CLASSIC	Research project	9
2020	B.Sc AHS	Research project	MANAGING MEDICAL RECORDS AND IMPLEMENTATION OF ICD-INTERNATIONAL CLASSIFICATION OF DISEASE	Research project	10

2020	B.Sc AHS	Research project	ELECTROENCEPHALOGRAPHY IN ADULT ONSET SEIZURE DISORDER AND ITS CLINICAL PROFILE	Research project	9
2020	B.Sc AHS	Research project	"AN AUDIT OF PLATELET TRANSFUSION IN OUR HOSPITAL- A RETROSPECTIVE STUDY"	Research project	10
2020	B.Sc AHS	Research project	A COMPARATIVE OF STUDY OF QUALITY OF WARTHIN-STARRY STAIN, ACRIDINE ORANGE STAIN, MODIFIED GIEMSA STAIN AND CRESYL VIOLET STAIN IN THE DETECTION OF HELICOBACTER PYLORI ORGANISMS IN TISSUE SECTIONS IN A TERTIARY CARE HOSPITAL.	Research project	10
2020	B.Sc AHS	Research project	TO STUDY THE MICROVASCULAR COMPLICATION OF TYPE 2 DIABETES MELLITUS	Research project	10
2020	B.Sc AHS	Research project	STUDY OF LIPID PROFILE IN TYPE 2 DIABETES MELLITUS WITH CORONARY ARTERY DISEASE	Research project	10
2020	B.Sc AHS	Research project	ASSESSMENT OF RENAL FUNCTION BEFORE AND AFTER PERCUTANEOUS TRANSLUMINAL CORONARY ANGIOPLASTY	Research project	10
2020	B.Sc AHS	Research project	CARDIOPLEGIA TECHNIQUES AND ADMINISTRATION	Research project	10
2020	B.Sc AHS	Research project	CAUSES OF ADMISSION OF METABOLIC ACIDOSIS IN ICU	Research project	7
2020	B.Sc AHS	Research project	ESTIMATION OF RANGE OF HOUNSFIELD UNIT ON CT FOR DIFFERENT GRADES OF FATTY INFILTRATION OF LIVER PRE CATEGORISED BY ULTRASOUND	Research project	10
2020	B.Sc AHS	Research project	THE STUDY ON THE EFFECT OF ORAL SODIUM BICARBONATE SUPPLEMENTATION ON MAINTENANCE HEMODIALYSIS PATIENTS	Research project	10
2020	B.Sc AHS	Research project	CORRELATION OF AXIAL LENGTH, ANTERIOR CHAMBER DEPTH, LENS THICKNESS AND CORNEAL CURVATURE WITH MANUAL AND LENSTAR	Research project	10
2020	B.Sc AHS	Research project	MAXIMUM VOLUNTARY VENTILATION (MVV) IN COPD PATIENTS	Research project	10
2020	B.Sc AHS	Research project	EEG IN DEPRESSIVE DISORDER	Research project	10
2020	B.Sc AHS	Research project	A OBSERVATIONAL STUDY ABOUT ADVANTAGES OF CARDIOPULMONARY BYPASS IN MINIMALLY INVASIVE CARDIAC SURGERY	Research project	10
2020	B.Sc AHS	Research project	PILOT STUDY OF COMPARING TEAR FILM BY SCHIRMER'S TEST BEFORE AND AFTER USAGE OF MOBILE PHONE FOR ONE HOUR	Research project	10
2020	B.Sc AHS	Research project	TO COMPARE AND STUDY THE DIFFERENCE IN MODE OF OPERATION BETWEEN LINAC AND COBALT-60 TELEETHERAPY MACHINE	Research project	8

2016	B.Sc(N)	Individual Research Project	Incorporating a research component along with a sound academic foundation enables students to develop innovation, critical thinking skills along with oral and written communication skills will allow students to emerge as leaders in multiple professions after their graduation.	Research Project	560
2016	B.Sc(N)	Field Vist to Indian Council of Medical Research	Indian Council of Medical Research (ICMR), has always attempted to address itself to the growing demands of scientific advances in biomedical research, and to the need of finding practical solutions to the health problems of the country, on the other. The Council's research priorities coincide with the National health priorities such as control and management of communicable diseases, fertility control, maternal and child health, control of nutritional disorders, developing alternative strategies for health care delivery, containment within safety limits of environmental and occupational health problems.	Field visit	57
2017	B.Sc(N)	Rural and urban research project	Research experience allows undergraduate students to better understand published works, learn to balance collaborative and individual work, determine an area of interest, and jump start their careers as researchers.	Research Project	500
2017	B.Sc(N)	Gremaltes Hospital Field Visit	The focus on visit to the Gremaltes hospital is to understand the strategies of control and prevention of Leprosy and Tuberculosis in the community like community awareness, appropriate treatment and participation. It generate awareness in the community regarding leprosy, tuberculosis and other stigmatized diseases; to provide quality treatment and care for them and promote sound health and wellness practices.	Field Visit	85
2018	B.Sc(N)	Individual Research Project	The research project expanding the students' knowledge and understanding of a chosen filed outside of the classroom and learning to work independently by problem solving approach.	Research Project	689
2018	B.Sc(N)	Visit to The Rural Unit for Health and Social Affairs	The Rural Unit for Health and Social Affairs (RUHSA) functions as a response to the felt need for providing health care services. The Rural Unit for Health and Social Affairs (RUHSA) is most comprehensive rural health program, instituted to improve the health, economic status, and education levels. SCON students used to conduct periodic camps and monitor health status of the people in the community	Field Visit	96
2019	B.Sc(N)	Rural and urban research project	Individual research experience of our students can reach beyond the academic by problem solving approach.	Research Project	567

2019	B.Sc(N)	Field Visit to The Rural Unit for Health and Social Affairs	Capacity building training on communication and education technology. This was a three day training programme for creating this opportunity for the students to provoke their thoughts and gained knowledge and skills on Education technology. IEC and its barrier and how to over come the barriers for effective health communication.	Field Visit	97

2016	BE	Informatica Development using powercenter tool	Students Learn employer expectations for workplace behaviors and Demonstrates discipline and departmental outcomes in the work setting	Industrial Internship	120
2017	BE	Social Media Optimization (SMO) and Web Designing	Students Learn work experience to further develop discipline knowledge ,outcomes and Learn employer expectations for workplace behaviors	Industrial Internship	47
2017	BE	HPE Unified Functional Testing using Ranorex	Students in addition to learning , the specialized skills of a particular field ,transferable skills such as communication, teamwork, and computer proficiency are also obtained in an internship, fully preparing interns to enter the workforce upon graduation and to apply acquired knowledge to real work experiences	Industrial Internship	35
2017	BE	Web Development	Undergraduate students from the department of Electronics and communication engineering, Saveetha School of Engineering visited Litz Tech in Chennai for internship and learnt basics of web development	Industrial internship	80
2017	BE	Manufacturing Processes	Students can understand the industry processes especially manufacturing process, assembly, Quality control, maintenance, industrial safety. The acquired knowledge from the courses can be used to apply real time work.	Industrial internship	42
2017	BE	Manufacturing Processes	Students can understand manufacturing processes, assembly, Quality control, maintenance, industrial safety. The acquired knowledge from the courses can be used to apply real time work.	Industrial internship	76
2017	BE	Construction Engineering	UG Students can understand the designing, planning, construction, and management of infrastructures such as roads, tunnels, bridges, airports, railroads, facilities, buildings, dams, utilities and other projects.	Industrial internship	35
2017	BE	Electrical Machines	Undergraduate students can understand the real time application of electrical machines concept based on industrial drives	Industrial internship	50
2019	BE	Aspect-Oriented Software Engineering	Improve skills with specific hardware/software/applications or social media and understand how certain technologies are used in specific industries/companies	Industrial Internship	1069
2019	BE	Embedded system programming	Undergraduate students from the department of Electronics and communication engineering, Saveetha School of Engineering visited Spiro solutions, in Chennai for internship and learnt concepts of microcontrollers, applications of disc controllers, sound card.	Industrial internship	354

2019	BE	Power Electronics	Undergraduate students can understand the real time application of electrical machines concept based on industrial drives	Industrial Internship	46
2019	BE	Energy Engineering	Undergraduate students can understand the concept of energy storage techniques and implication methods	Industrial Internship	50
2019	BE	Manufacturing processes, assembly process	Students understand the industry processes especially manufacturing process, assembly, Quality control, maintenance, industrial safety. The acquired knowledge can be used to apply real time work.	Industrial Internship	54
2019	BE	Environmental Engineering	Undergraduate students from Civil Engineering of Saveetha School of Engineering visited poondi reservoir	Industrial internship	71
2019	BE	Biomedical Instrumentation	Undergraduate students from biomedical engineering of Saveetha School of Engineering visited various electronics companies and they got hands on experience on live projects. They worked on various instruments related to biomedical field , did calibrations and learnt the operations.	Industrial internship	234
2019	BE	Drug development and drug screening	Undergraduate internship program at Hain Biosolutions, CIIC, Chennai on target development, drug development and drug screening. The students acquired hands-on training in basic level bioinformatic tools for proteome analysis, cheminformatic databases, target prediction and molecular docking. The students were also oriented with requirements of the current market policies and the social impact in the areas of drug development and molecular diagnostics.	Industrial internship	10
2020	BE	Java full stack development	Developed employment contacts leading directly to a full-time job following graduation from college	Industrial Internship	1069
2020	B.E(IT)	Salesforce Trailhead Modules and App Customization Specialist	UG students from the Dept of Information Technology, SSE undergone Industrial Internship in Softsquare Solutions Private Limited ,Chennai from March 17,2021- March 31,2021.Enables students to add a record type, build fields,create an approval process, create reports and dashboards and build an app and app home page.	Industrial Internship	87
2020	BE(ECE)	Embedded system programming	Undergraduate students from the department of Electronics and communication engineering, Saveetha School of Engineering visited Spiro solutions, in Chennai for internship and learnt concepts of microcontrollers, applications of disc controllers, sound card.	Industrial internship	354
2020	BE(EEE)	Electrical Drives	Undergraduate Students can understand the concept and of AC and DC drives	Industrial internship	46
2020	BE(EnEE)	Energy and Environmental Policies	Undergraduate Students can understand the concept of energy and environmental policies and implication methods	Industrial internship	3
2020	B.E(Mech)	Construction Engineering and Management	Students understand the industry processes especially manufacturing process, assembly, Quality control, maintenance, industrial safety. The acquired knowledge can be used to apply real time work.		54
2020	BE(CIVIL)	Construction Engineering and Management	Undergraduate students from Civil Engineering of Saveetha School of Engineering visited WTP	Industrial internship	71
2020	BE(AUTO)	Manufacturing Processes	Students can understand manufacturing processes, assembly, Quality control, maintenance, industrial safety. The acquired knowledge from the courses can be used to apply real time work.	Industrial internship	30
2020	BE(BME)	Instrumentation Engineering	Students understand instrumentation designing process, amplification, assembling of circuits for industrial safety. The acquired knowledge can be used to apply real time work.	Industrial internship	234

2020	B.TECH(BI)	Drug development and drug screening	Undergraduate internship program at Hain Biosolutions, CIIC, Chennai on target development, drug development and drug screening. The students acquired hands-on training in basic level bioinformatic tools for proteome analysis, cheminformatic databases, target prediction and molecular docking. The students were also oriented with requirements of the current market policies and the social impact in the areas of drug development and molecular diagnostics.	Industrial internship	45
2020	BE	Social Media Optimization (SMO) and Web Designing	Demonstrates discipline and departmental outcomes in the work setting and Learn work experience to further develop discipline knowledge and outcomes	Industrial Internship	1290
2020	B.E(IT)	Data Analysis on Marketing Dashboard	UG students from the Department of Information Technology, Saveetha School of Engineering undergone Industrial Internship in Core Mind Technologies, Chennai. Core theme of Internship is Data Analysis on Marketing Dashboard. Digital marketing campaigns generate a lot of data, from high-level revenue reporting down to program and channel-specific metrics. This data is a prerequisite for measuring ROI and campaign effectiveness, but that doesn't mean it's easy to understand. It's not uncommon for marketers to use a dozen different tools (third-party analytics apps, custom back-end systems, elaborate Excel spreadsheets) to track program performance and activity levels, and still only achieve a cursory understanding of how marketing initiatives connect with business goals. These investments in disparate tools cost money, and if they don't yield actionable intelligence, that becomes wasted money. Marketing spend on data analytics is expected to increase from 4.6 to 22 percent of total marketing budgets by 2020, but currently use less than a third of the data at their disposal to make their strategy decisions.	Industrial Internship	117
2020	BE(ECE)	IOT	Undergraduate students from the department of Electronics and communication engineering, Saveetha School of Engineering visited VS Infotech, in Tirupathi for internship. Students learnt blynk application and configured it with wifi	Industrial Internship	892
2020	BE(EEE)	Power System	Undergraduate Students can understand the concept of power system technologies involved in real time applications	Industrial internship	53
2020	BE(EnEE)	Energy Auditing	Undergraduate Students can understand the energy auditing concepts	Industrial internship	10
2020	B.E(Mech)	Manufacturing and assembly processes	Students can understand the industry processes especially manufacturing process, assembly, Quality control, maintenance, industrial safety. The acquired knowledge can be used to apply real time work.	Industrial Internship	281
2020	BE(CIVIL)	on Engineering and Ma	UG Students can understand the designing, planning, construction, and management of infrastructures such as roads, tunnels, bridges, airports, railroads, facilities, buildings, dams, utilities and other projects.	Industrial internship	81
2020	BE(AUTO)	Manufacturing Processes	Students can understand manufacturing processes, assembly, Quality control, maintenance, industrial safety. The acquired knowledge from the courses can be used to apply real time work.	Industrial internship	43
2020	BE(AGRI)	Production and Manufacturing of Food Products	Provide experiences in the operation and management practices of an agriculture business or agency. Develop competencies in the operational tasks of managing an agricultural business.	Industrial internship	80
2020	BE(BME)	Instrumentation Engineering	Students understand instrumentation designing process, amplification, assembling of circuits for industrial safety. The acquired knowledge can be used to apply real time work.	Industrial Internship	374

2020	B.TECH(BI)	Genome Analysis	One month internship program at Exonn Biosciences, Chennai. The students acquired hands-on experience on experimental design, including next gen sequencing and bioinformatics analysis of whole genome from bacterial and plant sources.	Industrial internship	60
2018	BE	Informatica Data Quality users use the Developer tool	Improve skills with specific hardware/software/applications or social media and understand how certain technologies are used in specific industries/companies	Industrial Internship	62
2018	B.E	Internet of things	Undergraduate students from the department of Electroics and communication engineering, Saveetha School of Engineering visited My Assessment in Coimbatore for internship. Students learnt software and hardware applications.	Industrial Internship	14
2018	B.E	Technical content writing	Undergraduate students from the department of Electronics and communication engineering, Saveetha School of Engineering visited SMART Resources, in Chennai for internship and learnt ideas on technical content writing.	Industrial Internship	1
2018	B.E	Manufacturing and assembly Processes	Students can understand the industry processes especially manufacturing process, assembly, Quality control, maintenance, industrial safety. The acquired knowledge can be used to apply real time work.	Industrial Internship	123
2018	B.E	on Engineering and Ma	UG Students can understand the designing, planning, construction, and management of infrastructures such as roads, tunnels, bridges, airports, railroads, facilities, buildings, dams, utilities and other projects.	Industrial internship	39
