

PLACEMENT STATISTICS - NATIONAL PLACEMENT

SIMATS Deemed University, is one of the leading universities with engineering, management, law, medical and dental colleges in India. The university has a proven track record of offering excellent national placements to its students, with more than 300 companies visiting the campus every year. The placement cell of the college works tirelessly to provide the students with the best career opportunities. The cell organizes various activities such as career guidance, training programs, mock interviews, and guest lectures to equip the students with the necessary skills required for a successful career.

The university has an impressive placement record, with over 90% of students being placed in top-notch companies like Amazon, Microsoft, IBM, TCS, Cognizant, and many more. The average salary offered to the students is also quite high, with some of the students getting a package of more than 10 LPA. Majority of the students of our medical and dental colleges have hailed across the country and have gone back to their respective states and home towns setting up clinical practice or as academicians.

The university has an excellent infrastructure, experienced faculty, and a vibrant campus life that helps the students to excel in their academics and extracurricular activities. The national placements in SIMATS is a testament to its commitment to providing the best opportunities to its students.
