

## SIMATS - TOP SALARY

Saveetha Institute of Medical and Technical Sciences (SIMATS) is a renowned institute that prides itself on its commitment to student success. Students of SIMATS are placed in top companies with creative and stable smart jobs that come with great perks and high salaries. The institute's record-breaking campus placements are a testament to its focus on providing students with the skills, knowledge, and support they need to succeed in their careers. In the placement offers, the average salary offered to our UG students was a staggering Rs. 10 lakh per annum and for our PG students was Rs. 18 lakh per annum which is a reflection of the high regard that companies have for SIMATS graduates. Over 2500 students have been offered top salaries by the high paying recruiters viz., Cognizant, Bosch, Tata Consultancy Services, Capgemini, Accenture, Sutherland and ByJu's. The high salary offered to students during campus placements is a testament to the institute's commitment to student success, and a reflection of the skills and knowledge that SIMATS graduates bring to the workplace.
